STATEMENT FROM COUNTY EXECUTIVE MAGGIE BROOKS ON ITT EXPANSION

"ITT is one of the top employers in our region, and a company that puts Monroe County on the map. Monroe County is proud to have been a partner in this expansion project, which means more jobs in our community.

"As our economy continues to diversify, companies like ITT will play an even more integral role as we move forward and capitalize on additional high-tech opportunities.

"We are grateful for ITT's investment in Monroe County and we look forward to continuing to work with them to ensure their growth and success in our community."

Note to media: COMIDA approved \$348,000 in sales and property tax abatements for the ITT project in April 2005.
